Move down the field "Numero de revisado"

Add new field right next to RUC/Cédula. Called "DV". The "DV" field is not required, should be optional.

The first field calle "nombre" should be replaced with Nombre o Empresa

In the files upload, should allow, jpeg, png, and pdf files. In the last field that says "Subir archivos" you should select the file to upload and add a text field so you can write the name of that document, and when you upload it, it will show the name you wrote and the pdf or image file in 1 line.

Also all the fields should be able to upload images and pdf files.
